INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
DOVE Center, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of DOVE Center, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of DOVE Center, Inc. as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

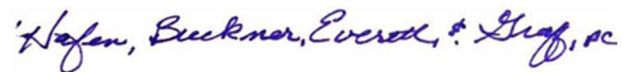

Change in Accounting Principal

As described in Note 1, The Dove Center, Inc implemented provisions of the FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities, for the year ended June 30, 2020, which represents a change in accounting principle. Our opinion is not modified with respect to this matter.

Other Information

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 17, 2020 on our consideration of DOVE Center, Inc's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering DOVE Center, Inc's internal control over financial reporting and compliance.

A. Background

The DOVE Center, Inc (the Center) is committed to providing safe, caring and confidential shelter, advocacy and support for victims of domestic violence and sexual assault and to reduce the incidents of abuse through prevention education.

The Center was organized in 1993 and incorporated under the laws of the state of Utah. The Center owns and operates a crisis intervention facility to provide women and their children a temporary shelter when crisis intervention is deemed necessary. The first clients utilized the shelter facility in July of 1995.

Today the services have grown to offer a large range of domestic violence and sexual assault programs to promote safety and healing for victims in the community. At present, along with the original facility, a safe house for women and children, the Center has added an advocacy and counseling center in a second location. Services offered between the two facilities are; Safe Shelter, 24-hour Crisis Line, 24-hour Hospital Advocate Response Team, Crisis Advocacy Intervention, Court Advocacy, Spanish Speaking Services, Case Management, Counseling, Aftercare, Life Skills Classes, Adult Support Groups, Children's Advocacy and Support Groups, Therapy Groups, Volunteer Training, Community Presentations, Educational Awareness Training, and Prevention Education.

B. General

The accompanying financial statements of the Center have been prepared in accordance with generally accepted accounting principles which require the use of management estimates and the accrual basis of accounting. Contributions are recorded when received unless susceptible to accrual.

C. Basis of Presentation

The Center has adopted the provisions of Accounting Standards Codification 958, Not-For-Profit Entities (ASB 958) Accounting Standards Codification (ASC 958-205). The Center has also adopted the provisions of Accounting Standards Update (ADU) 2016-14. Under these standards the Center is required to report its financial position, activities and contributions received under two classes: net assets with donor restrictions and net assets without donor restrictions.

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net assets without donor restrictions represent expendable funds available for operations which are not otherwise limited by donor restrictions.

Net assets with donor restrictions consist of contributed funds subject to specific donor imposed restrictions, contingent upon specific performance of a future event or a specific passage of time or be maintained in perpetuity.

D. Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

E. Description of Programs

Program services consist of temporary food, shelter, clothing, and other personal items, a crisis line, crisis intervention through crisis and court advocacy, case management, counseling, support groups and life skills classes, 24-hour rape advocacy at the local hospital, Spanish speaking services, self sufficiency support and assistance, along with educational awareness training and community presentations. These services are available free of charge to all primary and secondary victims of domestic and sexual violence.

Administrative services consist of essential but indirect services required to operate the center.

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated between the programs and supporting services benefited.

F. Cash and Cash Equivalents

The cash and cash equivalents are considered to be cash-on-hand, demand deposits and short-term investments.

G. Fixed Assets

Expenditures for physical properties are stated at cost. Donated assets are recorded at their estimated fair market values at the date of donation.

The Center follows the practice of capitalizing all expenditures for property, furniture, fixtures and office equipment in excess of \$1000. Depreciation of physical properties is calculated on the straight-line basis over the following estimated useful lives:

Buildings & Improvements	10 - 40 years
Furniture, Fixtures, & Equipment	10 years
Landscaping	15 years
Vehicles	5 years

Depreciation for the year ended June 30, 2020 was \$35,782.

H. Income Taxes

The Center is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code and therefore has made no provision for Federal income taxes in the accompanying financial statements. There was no unrelated business income for the year ended June 30, 2020. The Center's 2017, 2018, and 2019 tax years remain subject to examination by the Internal Revenue Service for U.S. Federal tax purposes.

I. Revenue

The Center receives most of its grant/contract revenue from state agencies, much of which is Federal pass through funds. Revenue recognition is on the accrual basis.

J. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management's estimates.

K. Expense Allocation

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses are allocated on a reasonable basis that is consistently applied such as time and effort or estimates of usage.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Trustees
DOVE Center, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of DOVE Center, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2020 and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 17, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered DOVE Center, Inc's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Dove Center, Inc's internal control. Accordingly, we do not express an opinion on the effectiveness of DOVE Center, Inc's internal control.

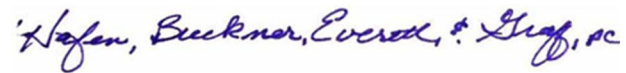

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters As part of obtaining reasonable assurance about whether DOVE Center, Inc's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
